

We can Publish Your Book

ABOUT EMPYREAL PUBLISHING HOUSE

Empyreal Publishing House [EPH] located at Guwahati, Assam is glad to introduce its new Research Service “**Publish Edited Book with ISBN**”. Empyreal Publishing House is a part of Empyreal Institute of Higher Education which began its services as a publisher of journals. EHP has grown by leaps and bounds as one of the foremost publishing houses of North East India. EHP makes every effort in providing quality publications with an affordable price to the common man. Today EHP publishes and distributes various kinds of books on management, Commerce, Computers, Economics, English, Science, Sports, Edited Volumes and Thesis. EHP’s endeavour is to bring out the best works and hence collaborates with intellectuals in different fields. EHP follows a policy of moderately pricing the titles to supply quality books at reasonable rates. EPH has a team of professionally trained personnel and quality consultants. EPH website constantly updates and displays all the new releases. EPH is highly indebted to millions of content book-lovers across the globe.

BECOME AN AUTHOR OF AN EDITED BOOK

Become an author of an Edited Book with ISBN. We have been closely following your academic progress and have found you apt to become an author of an Edited Book. Becoming an author will not only help you as an academician but will also open up doors for potential earnings through royalty.

We will provide you with the complete back end supports. We will send request mail to various researchers and academicians for contributing manuscript for the proposed edited book. We will also do the preliminary review of the submitted articles, copyright form collection, designing the cover page, dispatching the printed book to the contributors. We will send you the reviewed submitted chapters contributed by different authors for your final approval and after getting your consent we will publish it in the book.

EHP is publishing book that emphasizes research, development and application within the fields of new business, engineering and technology, science, education, architecture etc.

BENEFIT TO AUTHOR

- **Career Enhancement**

The career prospects of a researcher or academician is determined to a great extent by the quality as well as the quantity of articles published. Becoming an author will not only help you in increasing your API score for Career Advancement Scheme (CAS) under UGC regulation but will also built your reputation as an academician in the society.

- **Author Branding**

You will be enrolled for Research Gate Membership, acadmia.edu Membership and Google Scholar and your edited book will be listed.

- **Open Access**

It gives greater visibility to your book and enables better citation and usage. With unrestricted access, your book gains a wider reach, thus opening out to wider analysis, scientific collaboration and excellence.

- **Profit Sharing**

You will earn 60% of the profits from the sale of your book. Not only you are creating a strong brand for yourself as an author but also making an earning out of it.

- **Complimentary Copies of Book**

The author will receive 3 complimentary copies of the book by courier along with publication certificate.

- **Available Online & Printed**

Printed copies of the book will be available, as well as it will be made available online. Print on Demand Services will be offered. Permanent online link will be provided for all future references. A dedicated web page will be provided, which will provide Author's Bio-data with photograph.

- **Distribution Internationally**

Making your work available for purchase across the world! In India, your book will find place in major e-commerce platforms like Amazon, Flipkart etc.

- **Indexing in Databases**

Indexing adds integrity and credibility to your research. Indexing accentuates your content's value in the scientific community. As research becomes increasingly global, interdisciplinary and collaborative, indexing your book greatly influences your citation scores. We will index your book at CiteSeerX, Google Scholar and Zenodo.

- **International Quality at Affordable Rates**

Premium publishing services at most affordable rates. State of the art printing technology enables to print at low costs without compromising on quality. Thanks to our in-house teams, we are able to keep the costs affordable.

- **Promotion and Distribution**

We use a multichannel marketing strategy. With an emphasis on targeted direct-mail campaigns, our marketing team works to make sure that your book will achieve maximum visibility among the appropriate audiences. Along with direct mail efforts, email and telemarketing campaigns add to our successful marketing formula.

SUBSCRIPTION & PROCESSING CHARGES

EPH publication follows a full open access format which will make your book easily accessible to researchers' community. We are offering open access to all users. The aim of EPH is to share knowledge and useful research outputs for International utilization. EPH does not have any income source. Only processing charges are implied to defray its production and maintenance costs from author.

The Processing Charges are Rs.9999/- (for Indian Author) or 300 USD (for Foreign Author). The Processing Charges includes publication of your book with ISBN, Certificate, Indexing and other services.
