About IARA

Indian Academicians and Researchers Association (IARA) is an educational and scientific research organization of Academicians, Research Scholars and practitioners responsible for sharing information about research activities, projects, conferences to its members. IARA offers an excellent opportunity for networking with other members and exchange knowledge. It also takes immense pride in its services offerings to undergraduate and graduate students. Students are provided with opportunities to develop and clarify their research interests and skills as a part of their preparation to become faculty members and researchers. Visit our website www.iaraedu.com for more details.

About The Conference

The conference aims to provide a forum for the exchange of ideas on the latest business innovations in the field of Management, Technology and different areas of Social Sciences among researchers and practitioners in universities and industries and to seek opportunities for collaboration among the participants.
