Humanities

Empirical Economics Letters (EEL) having ISSN: 1681-8997 is a fully Refereed International Journal. The journal published since 2002. The journal is indexed in EconLit and included in Cabell's Directory, ERA accredited and ABDC journal quality list. It has recently been endorsed in Publons which is a part of Web of Science Group. The journal is having Impact factor 0.91

EEL runs special issues to create collections of papers on specific topics. The aim is to build a community of authors and readers to discuss the latest research and develop new ideas and research directions. This Special Issue is focused on the broad topic of Management, Social Science and Humanities with a particular focus on research, both theoretical and applied, aimed at improving real-world understanding by applying various principles.

EEL invites papers on all aspects of Management, Social Science and Humanities. All papers must have an empirical content and the theoretical models on which the empirical results are based should be clearly, but briefly, stated.

### Submission Guidelines

- Papers for publication must be in English and unpublished work.
- The first page of the paper should contain title, name of the author, affiliation and an abstract of not more than 100 words followed by 4 to 5 keywords. The paper should not normally exceed 2500 - 3000 words.
- Footnotes should be limited to explanatory purpose and kept to minimum. Tables and figures should be placed according to the text and should be numbered separately and sequentially. Equations and formula should be written using equation editor and numbered at the right in parentheses.
- All references should be alphabetically arranged and APA style should be followed.
